Check out the StudioWalk-ins Welcome Call nowCall now2 months ago Years have passed since my last tattoo and those were walk in. From the moment I walked into Chosen One Ink and met Karina and Matt I knew I was in the right place. Karina is a very sweet professional artist and Matt shows so much confidence in the artists. The time Karina put in my pieces and the detail is incredible. He also offered other ideas for future visits. I can't wait for the healing to continue. Oh, and Karina's taste for music and movies made her feel at home in her studio. I can't recommend this shop enough. Very blessed by the Google God for recommending this place when I started looking at local shops. Can't wait to book my next session!- Brett Sa month ago Green button with friendly staff. Their structure was also very clean, which was an advantage during this pandemic. I love how my tats came out! The price was also reasonable ☺ - Jasmine Ca month agoVery nice shop. I really give this business a 0 rating. The manager was very rude and unpleasant. They didn't greet us with smiles or try to listen to a potential customer. I was a customer for the first time that went into this business. I asked questions and was told to leave because I had an attitude. The owner of this business called my personal cell phone the next day threatening, cursing and using a derogatory racial word referring to race, after I left a review of how they treated me. I reported this issue to the Arlington Police Department and blocked their number. Unacceptable behaviour on the part of an entrepreneur. PLEASE TAKE THE TIME FOR RESEARCH AND SPEND YOUR MONEY ON A MORE REPUTABLE PROFESSIONAL ACTIVITY. The owners of this place are very un professional, and I have a feeling of racism in here because they cited us a basic tattoo for \$500. I feel like they're intimidated because I'm a beautiful young white female with a tall black male. Pitiful. I wouldn't go here if I was looking for a pleasant and calm experience, I went to the kandy store to get a double cartilage piercing. It was pierced crooked, with the wrong jewels, and became infected because of the way it was done. I stopped at this shop to see if they could help me because it was very painful. They took out the cheap jewelry, cleaned me up and put the correct jewelry. Within a few hours the swelling dropped, it no longer pulses and I am so happy. Don't pick cheap guys. I learned the hard way! I highly recommend the one chosen. People and fair prices. Thanks guys! I just got my second tattoo from Karina, the first was from Audra and LOVE both. I brought my son here and he's addicted now, he's going to get his second. I wouldn't go anywhere, but Chosen One Ink for my tats. I got a belly piercing from Matt. He was very nice, pleasant, answered at all questions and explained the procedure thoroughly. He gave detailed instructions for the next after assistance. There was a great atmosphere in the place, and everyone was very nice. The facilities were clean. If I could give 10 stars, I would. I highly recommend the Chosen One!! Amazing work done by Skyler Blum. His work blk n grey is fantastic im coming back soon. Matt the Owner is the best boss you see in a tactful store. He is so polite and professional about everything. I told all my friends about this place. Thanks guys. The best store in Dfw. It's so clean and the prices are so good for the quality you get to call them 8172775199More tattoos in the AreaRoyal 1 Tattoos(24)6467 Camp Bowie Blvd, Fort Worth, TX 76116People ViewedCash America Pawn - Pawn Shops & Loans1754 W Division St, Arlington, TXBernard's Jewelers(3)691 W Pioneer Pkwy, Grand Prairie, TXTorril(1)3811 S Cooper St Ste 2414, Arlington , TXCash America Pawn - Pawn Shops & Loans6400 S Cooper St, Arlington, TXArtists Bootcamp801 Stadium Dr, Arlington, TXDalworthington Gardens (4 miles)Grand Prairie (6 miles)Euless (7 miles)Hurst (7 miles)Bedford (8 miles)Kennedale (9 miles)Colleyville (10 miles)Haltom City (10 miles)North Richland Hills (10 miles)Irving (11 miles)Manage this list, edit business information
